

Falls Prevention Equipment Open Day Thursday 25th February 2016

The Community Falls and Fragility Fracture Prevention Team would like to invite professionals to an open day to view and evaluate some equipment specialising in falls and fracture prevention. There will be a number of stands on that day.

Benmor Medical will be presenting the ...

deprimo® floor level bed

Please feel free to drop in at any time between **10am - 4pm**

Location:

Ipswich Hospital, Postgraduate Education Centre, Heath Road, Ipswich, IP4 5PD
